Excerpt of pertinent information :

It is known here in Paris that General Nicolae Radescu has formed in NY an association "of liberty." (Author's note: Probably meaning the Association of Free Rumanians).

Sources close to PWT in Paris spread the rumors that the most important members of this association are Carlos Davila and Nicolae Malazn. This is naturally done with the obvious intention to discredit the new organization in the eyes of both the refugees and the foreign authorities.

This is all the pertinent information on subject in this document.
